### CIRCULAR NO. 17

### ARTIFICIAL INTELLIGENCE EXHIBITION CUM COMPETITION FOR STUDENTS

Dear Parents and Students,

Greetings!

We would like to share a happy moment with you that our school has been selected among all other schools in the Al Dhafra region by ADNOC to collaborate with them for organizing an Artificial Intelligence innovative project exhibition for the students. The program is intended for students of all age groups, where they can take part in designing innovative projects integrated with artificial intelligence. The top 5 teams will receive exciting Prizes from ADNOC, and other participants will be appreciated with participation certificates. Interested students can register for the competition through the link given towards the end of this circular. Only shortlisted projects will be allowed to exhibit in the competition scheduled on 23 June 2025. Interested parents can also avail the opportunity to visit the exhibition. They can also register through the link given. **Students registering for the competition are to submit their project to the program in charges (Ms. Reshma P & Mr. Nithin) by Friday, 20 June 2025 (10:00 am).**

### Important Note:-

- Projects submitted after the last date will not be accepted .
- Students have to prepare thoroughly for presenting their projects to the Judging team
- Projects must be neatly assembled with proper display.
- VIP's from the ADNOC as well as from the Government are expected to visit the exhibition and interact with the students .
- Wide publicity of the event through the Social Media Platforms will be carried out by ADNOC and the School
- Visiting time for parents will be from 10:30 am to 11.00am on the day of exhibition.
