### IMPORTANT ADVISORY – UNAUTHORIZED TRANSPORTATION OF STUDENTS

Dear Parents,

Greetings!

This is to bring to your attention an important safety advisory regarding the **transportation of students** to and from school. It has come to our notice that a few students are being picked up and dropped off by **unauthorized private vehicles** that are not approved by the **Department of Transport (DoT), Abu Dhabi**.

As per **DoT regulations**, **only school buses licensed and approved by the DoT** or their own **parents' vehicles** are permitted to transport students. The use of **unlicensed or unauthorized vehicles** for student commuting is a **serious violation** of student safety regulations and may lead to **legal consequences** for both the vehicle operator and the parent involved.

In the interest of ensuring the **safety and well-being of all students**, parents are strictly advised to:

- Ensure that their children travel only by **school-authorized transport** or their **own parents' vehicles with parents**.
- Avoid entrusting their children to private or unregistered drivers or transport services.
- Inform the school in advance if there are any changes in the daily transport arrangements.

The school bears a **shared responsibility** with parents to ensure every child's safe travel. Any instance of students using unauthorized vehicles will be **reported to the concerned authorities** as per DoT and ADEK compliance requirements. **The school will not be responsible for any consequences or fines imposed on violators in this regard.**

Your cooperation and vigilance in this matter are crucial to maintaining the safety standards expected of all educational institutions in the UAE.

Thank you for your understanding and continued support.

With Regards,

  

SCHOOL ADMIN
