

**CIRCULAR NO. 7**  
**NASO OLYMPIAD EXAM 2025-26**

Dear Parents,

Greetings!!

We would like to bring to your kind notice the modalities for conducting the National Astronomy & Science Olympiad (NASO) Exam 2025-26. NASO organizes the World's biggest annual Astronomy & Space Olympiad exam for school students called National Astronomy & Space Olympiad (NASO).

We advise your ward to register for the NASO Olympiad Exam – 2025-26 and enable them to explore Astronomy & Space science as a subject and as a career option. Students can also gauge their performance matrix, compete with students across the globe and get a chance to be part of a very niche student community that will learn, build & launch their own satellite.

**Salient features of NASO:**

- Each participating student gets a Participation Certificate & a subject-wise Performance Report analysing his/her performance, strengths & weaknesses and comparison of performance with students across the city, state and country.
- Awards to school toppers, state toppers and international toppers.
- Recognition, mementoes, gifts and certificate-of-appreciation for school Principals and Teachers.

NASO is much more than a regular Olympiad. Enrolled students get free access to NASO – Online Powerup sessions by eminent astronomers and space scientists across the globe.

**Schedule of NASO Exam:**

25 <sup>th</sup> APRIL 2025	CLOSING DATE FOR CONTEST REGISTRATION
1 <sup>st</sup> May 2025	School can download student contest packs Free (Question Banks / E-books)
