

CIRCULAR NO.08
PARENT AWARENESS SESSION ON IN-SCHOOL SPECIALIST SERVICES

Dear Parents/Guardians of KG to Grade 4,

"Understanding your child today can transform their tomorrow."

This Awareness session is open to all interested parents of students from Kindergarten to Grade 4.

In line with our commitment to inclusive education and providing equitable access to students of diverse ability, behavior, habits, cognition level, Asian International Private School, Al Dhannah, is proud to announce the proposal which is in progress to partnership with Berlin Medical & Neurological Rehabilitation (BMNR), Al Dhannah . We are pleased to share this exciting news regarding the enhancement of student support services at our school.

The school has been providing an Inclusive Education to the students for a long, now would like enhancing its effectiveness by entering partnership with BMNR, particularly to provide specialist services to students of KG1 to Grade 4 in the campus. It is highly important to provide timely intervention to students at their early age if they require special care and support. Adhered to ADEK Policies and part of its implementation, and as the first step towards partnership, we invite you to attend a Parent Awareness Session on **Saturday, 3rd May 2025, between 10:00 Am to 12:00 Nn Noon** at Asian International Private School – Al Dhannah, Junior Campus(Ps-1).

BMNR is a renowned, multi-disciplinary centre offering services such as occupational therapy, speech and language therapy, physiotherapy, and hydrotherapy etc. in a caring and professional environment. With extensive experience in delivering In-School Specialist Services across the Emirate, BMNR brings a wealth of knowledge and compassion to the educational setting.

The session will be facilitated by representatives from BMNR and School, will include an overview of the specialist services available, their benefits for student development, and a Q&A segment to address your queries.
