

School Reopening and Important Information

Welcome Back!

We hope you are enjoying a wonderful summer break with your children and that you are safe, relaxed, and ready for a restart. We are into the month of August and you must be anxious to know the details about school reopening. We have submitted the school readiness plan to KHDA and are awaiting its approval. Let me assure you that we have kept the safety of students and staff as top priority while preparing the plan. Our skilled and devoted staff is already planning and preparing for the reopening and hardworking and conscientious ancillary staff will soon get the school ready for our students.

The school has put in place a blended model of learning which will give parents the option of either sending the students to school or to continue with Distance Learning.

However, the students of grade 9 to 12 who will be facing the board exams will be required to be present in physical school for being able to do practical classes and appear for term examinations. **Further details will be intimat- ed soon through a circular from the principal's desk at the earliest. However, while reopening the school, we will strictly adhere to the protocols set by KHDA.**

Request parents to kindly read through the pointers below and do the needful so that our students can resume classes by 30th August 2020 smoothly.

Fee dues

This is a humble request to all parents to clear all the fee dues for all the months from April 2020, to June 2020, failure to do so will result in the school taking stringent action.

The school office will remain open from 9 am to 2 p.m. from Sunday to Thursday and on Saturday from 9 a.m. to 1 p.m.

Book sale

The book sale for all grades from KG to grade 12 will begin from Monday, 10 th August 2020. The sale timings will be 9 a.m. to 2 p.m. from Sunday to Thursday and on Saturday from 9 a.m. to 1 p.m.

Those parents who want to opt for courier service to get books delivered at home, kindly check circular **NO/0018/22/04/2020** in the school website and do the needful.

Kindly note the school will resume written assessment patterns and hence the use of the textbooks becomes mandatory, so kindly take this opportunity to purchase the books before the school reopens.

Registration fees

The school will soon begin the registration for CBSE and KB students from 16th August 2020, hence parents are requested to make the payment by cash to the school accounts before 15th August 2020. Failure to register may result in the loss of a year for the student.

Survey

School will be soon conducting a survey with our parent community regarding their choice of preference for learning (Distance learning or face to face) and the use of transportation. Kindly make time to complete the same as it will help us to plan better. The details regarding the survey will be communicated through SMS and circular soon.

We look forward to the safe and responsible reopening of the school from 30th August 2020 onwards and we request utmost cooperation from you. We will be holding orientation sessions for students and parents of all phases in the later part of August'2020 to familiarize you with the protocols and other guidelines as well as to address any concerns you may have.

Looking forward to a safe and productive year ahead.

Warm regards

Gulf Model School
