

Safe & Responsible Reopening - Important Pointers - KG to Grade 12

Dear parents

Greetings from GMS!

It was wonderful having the students back with us on DL, last week and we now look forward to welcoming those students tomorrow who have opted for face to face learning. Safety and security of the students and staff are topmost priority for us and we urge you to talk to the children about the following:

1. Wear a face mask at all times. Keep a spare mask in the bag.
2. Do not fidget or play with the mask.
3. Keep a safe distance of 1.5 m from others.
4. Carry enough drinking water to last for the day.
5. Do not crowd or gather in groups.
6. Carry a small sanitizer bottle .
7. Bring a device to school, which is fully charged. Charging devices at school may not be possible.
8. Please be disciplined and follow instructions at all times.
9. School policy on 'Bring Your Own Device' has been shared with you and uploaded on the website. Please go through thoroughly with your wards.
10. We expect good behaviour from all the students both online and on campus. We will follow a three step procedure to deal with unruly behaviour.
11. Own transport students to use gate 2 and gate 3.
- 12. Do not use devices for any purpose other than classroom learning. Strict action will be taken for violating cyber norms including confiscation of device, verbal reminders, informing parents and Suspension**

For any queries kindly mail the respective supervisors

We look forward to a safe, responsible and productive year ahead. All the best.

Best Regards,

Gulf Model School, Dubai
