

MATH WEEK ACTIVITIES – Grades 1 to 5

“MATHEMATICS is not about numbers, equations, computations, or algorithms: it is about UNDERSTANDING.”

We are glad to inform you that ‘Math Week’ will be celebrated at GMS from 15th November, 2020 to 19th November, 2020. The Objectives of the Math week are

- * To create a love for Math and dispel Math phobia.
- * To experience the magic of numbers and patterns
- * To enhance speed, accuracy and computing skills

The following activities are planned grade-wise.
