

## SCIENCE WEEK - Grade 9 to 12

### ALIFEROUS

We make every effort to instill a sense of wonder and critical thinking skills in our children. We want to see them as self-directed learners and risk takers who are not afraid to experiment with new ideas. With this goal in mind, we are organizing yet another challenging event, the science exhibition - Aliferous. The Aliferous exhibition aims to allow a young child to spread their wings in the developing world of science and innovation. The exhibition will run from September 5th to September 8th, 2022.

The following grades events are:

Day & Date	Participants	Events	Procedure
05-09-2022, Monday	Grade 6 & 7	General Science Quiz (preliminary round)	Quiz will be conducted during the first period. Top 5 students will be selected for the semi-final round from each grade.
06-09-2022, Tuesday	Grade 6 & 7	General Science Quiz (Semifinal round and final round)	Top 6 students will be selected for final round. Top 3 students will be awarded from the final round
07-09-2022, Wednesday	Grade 8	Science Exhibition Working model & Still model	Best three experiments will be awarded. Students will be honored with the "YOUNG SCIENTIST" award.
07-09-2022, Wednesday	Grade 9 & 10	Campaign	Each class can choose their own campaign topic.
08-09-2022, Thursday	Grade 11	Video	Topic-Variou strategies to reduce carbon emissions and pollution by helping people change consumption behavior in their communities. Strategies will be presented in a 3 to 5 minutes video
08-09-2022, Thursday	Grade 12	Seminar	Students should make a presentation on topics related to climate change and present it.
