

## Circular - Kindergarten

Dear Parents,

The academic session 2022-23 has begun in full swing and students are well settled in their classes. They are enjoying challenging activities while learning through play. With the beginning of summer, children look forward to vacation time when they can relax, visit friends and family, travel to see places, leaving behind the busy school routine. The summer vacation for KG begins from **25th June, 2022** and the last working day will be **24th June, 2022**.

**Class party : Friday 24 June** will be party day in school for KG students . They will celebrate with their friends and will watch a movie together with their teacher. You can send snacks and food with your child to share with friends.

**Parent Student Conference:** To ensure that the students have a constructive holiday, we would like to give you inputs about your child and make you familiar with our class setting so that you are aware and help your child to do the same at home. We will be holding our first PSC on the **25th June and 1st July**. Parents are requested to avail a convenient slot between **7:45 a.m. and 12 :30 p.m.** on one of these days, in discussion with the teacher to have one to one interaction with the class teacher to understand about their child's progress . We request you to utilize this opportunity with the teachers to interact about the academic performance of your child.

**Holiday Homework & Projects:** During PSC , teachers will also share with you a few tips on how to help your child be in touch with the academic areas while having fun. We have ensured that the holiday homework will provide an enjoyable learning experience for the child.

**Phonic workshop:** We will be conducting a phonic workshop for parents on Wednesday 29, June . We request parents to kindly participate in the same as phonemic awareness is very important to help your child read well.

Wish you and your family a happy time together during the vacation.

With Regards,

KG Head
