

Revised hike and terms in bus fees from September'22

Dear parents

Greetings from GMS!

Kindly be informed that there has been a further revision in the transportation fees and payment terms. With the rising fuel prices, it is becoming very difficult for us to sustain our transportation services and we are forced to bring in a nominal hike in the bus fees from the month of September'2022.

The terms of payment will be as follows:

Parents are requested to pay the bus fees in three installments as follows:

Date of payment by	Fees for the months
25/8/22	September'22 to December'22
25/12/22	January'23 to March'23
25/3/23	April'23 to June'23

We are informing you well in advance so that you can plan accordingly.

As you know Gulf Model School is one of the most affordable schools in Dubai and we have resorted to this measure after much thought and deliberations so as to ensure the smooth and hassle free running of the school.

The revised bus fee structure is attached herewith for your kind perusal.

Seeking your extended support, as always.

Warm regards

Gulf Model School
