

## Circular for Traditional Day - KG 1 to Grade 12

Dear parents

Greetings from GMS!

Kindly be informed that we will be observing Traditional Day, on Wednesday, 7/9/22. Students may come to school in a traditional wear of their choice.

The students must be modestly dressed. Sleeveless, off shoulder dresses, cropped tops, short skirts or any other revealing clothes are not permitted.

Students may also bring their traditional food and talk about their own culture and traditions.

We look forward to an engaging and meaningful celebration of traditions from different parts of the world.

Warm regards
