

MATH WEEK ACTIVITIES – Grades 6 to 9

(16th -19th November 2020)

“MATHEMATICS is not about numbers, equations, computations, or algorithms: it is about UNDERSTANDING.”

We are glad to inform you that ‘Math Week-2020’ will be celebrated at GMS from 16th November 2020 to 19th November 2020.

Objectives:

- To create love for math and dispel Math phobia.
- To experience the magic of numbers and patterns.
- To recognize that Mathematics permeates the world around us
- To appreciate the usefulness, power and beauty of Mathematics
- To enjoy Mathematics and develop patience and persistence when solving problems.
- To show the interconnection and interdependence of different subjects with Mathematics

Grade 6 and 7

Date	Activity	Details
16/11/2020 MONDAY	Math Art	Drawing using geometrical shapes
	Math Quiz	Preliminary rounds in the class during math period
	Relevance of Math in day to day life -Talk	During Class teacher period selected students will do the presentation.
	Interactive Session Mathmagic - The Real Magic A talk by Jacob John	4 to 5pm
17/11/2020 TUESDAY	A world without Math.... talk	During Class teacher period selected students will do the presentation.
	Math Quiz Semifinal	3 pm -4pm
	SODOKU competition	Using Nearpod (4pm -5pm)
18/11/2020 WEDNESDAY	Meet the Mathematician	During Class teacher period selected student will come and introduce the mathematician and their major contributions
	Math Exhibition	3 p.m. to 4 p.m.
19/11/2020 THURSDAY	Tricks and Techniques in math	During Class teacher period selected students will do the presentation
	Math Quiz - Final	3p.m. -4 p.m.

Grade 5

Date	Activity	Details
16/11/2020 MONDAY	Math Text Book Cover Page designing	Make suitable cover page for a math text book in A4 sheet or digital painting.
	Math Quiz	Preliminary rounds in the class during Math period
	Relevance of Math in day to day life -Talk	During Class teacher period selected students will do the presentation.
	Interactive Session Mathmagic- The Real Magic A talk by Jacob John	4 p.m. to 5 p.m.
17/11/2020 TUESDAY	A world without Math.... Talk	During Class teacher period selected students will do the presentation.
	Math Quiz Semifinal	3 pm -4pm
	SODOKU competition	Using Nearpod (4pm -5pm)
18/11/2020 WEDNESDAY	Meet the Mathematician	During Class teacher period selected student will come and introduce the mathematician and their major contributions
	Target Score	During math period Teacher will give a particular number and specific numbers. Students has to make maximum expressions to equate to the target number.
	Math Exhibition	3p.m. to 5 p.m.(Details and judgment criteria will be shared by respective Math teacher)
19/11/2020 THURSDAY	Tricks and Techniques in Math	During Class teacher's period selected students will do the presentation
	Math Quiz - Final	3 p.m. -4 p.m.

Warm Regards,

Gulf Model School, Dubai
