

## Circular for non-instructional day - KG to Grade 12

Dear parents

Greetings from GMS!

At the outset we apologize for the inconvenience and stress caused to you due to the delay in picking up and dropping off the children on the first day of school.

The students of Kindergarten will have a non-instructional day tomorrow, Monday, 4/10/21. Students of KG will stay home and teachers will send across activities to be done on class dojo. We will resume regular classes for KG from Tuesday, 5/10/21 onwards.

Kindly be informed that the school will be observing a non-instructional day for grades 1 to 12 tomorrow, Monday 4/10/21 and Tuesday, 5/10/21. The students need to stay at home and utilize this time for revision and study for the upcoming exams.

We seek the support and cooperation of students as we ease into new routines.

Warm regards

Gulf Model School
