

## Circular for Teachers Day - KG to Grade 12

Dear parents

Greetings from GMS!

In these unprecedented times, through the uncertainty and despair around us there was always a group of people who brightened up our days and brought us immense hope- our teachers!

We take pride in honouring them on Teacher's Day, **Sunday 5/9/21** by organising class assemblies and other events, following all COVID 19 protocols.

Parents of students who use their own transport are requested to collect their wards at 11:30 a.m. from the OT rooms .Students using school bus transportation will be dropped home 2 hours earlier than usual.

Kindly be informed that the school will disperse by **11:30 a.m. on Sunday 5/9/21 for all students from KG 1 to Grade 8.**

**Students of Grade 9 to 12 will follow regular timings and will disperse at 1:30 p.m. as usual.**

Thank you for the support and cooperation that you have always provided.

Kind regards

Gulf Model School
