

Circular – Parent-teacher Interface (KG 1 & KG 2)

Dear parents

Greetings from GMS!

It's been a month into the new academic year and based on numerous requests from parents, we feel it will be useful to hold a parent-teacher meeting so as to enable you to seek clarity on all matters of concern faced so far.

The parent teacher interface will be held online on Thursday, 12/5/22 from 8 a.m. to 12:30 p.m. The respective class teacher will share a link on zoom for parents of KG and Primary students.

Parents will be given time slots of 10 minutes each to interact with the class teacher and clear any doubts they may have.

Thursday, 12/5/22 will be a non instructional day for students of KG 1 & KG 2.

Please ignore the previous circular sent via orison.

Warm regards

Gulf Model School
