

OPEN HOUSE - Grades 1 to 12

We are at the end of first term and it's time to meet up with you to celebrate the success we have reaped as well as look objectively into the progress of our children. We plan to have a one on one discussion about the next steps in our children's march to excellence.

The Open House for Grade 1 to Grade 12 will be conducted over two days so that all parents will get ample time to discuss their ward's curricular and co-curricular activities with the class teacher. Every parent will be given an individual time slot of 10 minutes, details of which will be shared with you soon by the class teacher.

Before the open house you will be intimated by the class teacher to view your child's report card online so that we have a reference document for discussion. The report shares with you, your child's performance from April to September'20.

You are requested to avail of this opportunity for discussion that will immensely benefit the children.

Kindly note that it is important to stick to the time allotted, for the convenience of all.
