

## TALENT HUB - KG to Grade 5

Dear Parents,

**Children are not things to be moulded, but people to be unfolded.**

Learning is a journey. Through the year we navigate, push them to explore, encourage them to question, allow them to struggle, support their thinking, watch them discover and take pride in their achievements. It's now time to ensure no one has missed the opportunity to polish and display their talents.

With the aim of nurturing the artistic propensities of our children, we are organizing a talent hunt. Talent Hunt provides a platform for the students to express themselves without inhibitions, letting their creative expressions flow freely. All children are welcome to spread their wings showcasing their talents.
