

The GMS Reading Challenge - Grades 1 to 8 (2022-23)

"To learn to read is to light a fire. Every syllable that is spelled out is a spark."-Victor Hugo

Dear parents,

Gulf Model School brings to your child innovative Programme- Read Theory- which develops the 21st century competencies of communication, critical and creative thinking and the ability to locate, understand and reflect on various kinds of information.

Reading encourages children to build vocabulary, derive connections between stories and their own lives, and understand how different people think about different things. Children who read are able to think more, are able to express themselves more freely, and become independent learners.

This Reading Programme is a conceptualized programme to instill the love for reading among the students of the grades from 1 to Grade 8. The resource for the Reading challenge is - Online Reading Programme - **READ THEORY** and students who compute the maximum knowledge points will be acknowledged every month. The rewards on the completion of this challenge is based on the highest knowledge points as below.

Enthusiastic Reader (First)

Reading Rock star (second)

Know it all (Third)

Students are required to complete reading comprehension passages in the READ THEORY challenge at home, so as to achieve the highest knowledge points.

Parents can surely contribute at home by encouraging children to discover the joy of reading varied sources.
