

ONLINE QUIZ FOR STUDENTS BY STUDENT SENATE - GRADE 6 TO 8

Dear parents and students,

Greetings of the day!!

“ Practice like you have never won, Perform like you have never lost.”

One tool becoming more common, especially in online education, is quizzes. They help with concentration, identify gaps in knowledge, build confidence and help children retain information.

We are delighted to share with you that the Senate Members of the school council 2020-2021 have initiated to take e-learning to the next level to ensure effective and successful learning despite the epidemic and to engage students in the school activities that they miss being at home.

Keeping the volumes of benefits in view, the Senate Members will be organizing a quiz competition for phase 3 (Grades 6 to 8) on 17th May 2020. Here are the details
