

Important Information from KHDA

Dear Parents,

Greetings from Gulf Model School!

We are sure you and your family are safe and practicing the precautionary measures required to be safe. We are all in this together and be assured that we will overcome this situation with courage and determination. In line with this the school will be effectively conducting E learning in all classes from KG to Grade 12. We request parents to be closely associated with the class teacher to get the necessary information regarding the distance learning. The schedule for the three months will be mailed to the students by the class teachers by 5, April 2020.

Kindly note that the following decision taken in line with the decree announced by KHDA (read the attachment - Remote learning Announcement-KHDA).

1. School will be using distance E-learning during the first term of the Academic year 2020/21 that is 1, April 2020 to June 30th, 2020.

2. All students must continue their registration and pay their fees for these months to avail the E-learning facility. If the monthly tuition fee is not cleared the E-learning facility will be on hold for the student.

3. All students to clear their monthly fees before the 10th of every month.

4. The school office remains open from Sunday to Thursday and Saturday between 8:00 AM to 1:00 PM

5. Kindly contact the respective supervisor to clear all your queries regarding E-learning.
