

FEE REMINDER

Dear Parents,

Greetings from GMS!

We thank you for your patience as we continue to monitor the situation with regard to the Global Outbreak of COVID-19. We are in constant touch with the authorities and continue to receive directions regarding this issue.

We are all going through uncertain and anxious times and as a community, we will get through this with patience, communication and empathy for those who have been affected by the outbreak. In line with the requirements, all parents are requested to inform the school if they have faced any medical emergencies or health issues pertaining to the current pandemic of COVID-19. We will devise measures to help you in all positive ways

This mail is in connection with the payment of fees until March for the academic year 2019/20. We request all parents to make arrangements to clear all the dues until March so that the distance learning for your child can be continued uninterrupted.

Failure to clear all the dues may result in your child's E learning service to be disconnected from April 19, 2020. Kindly consider this as the last warning and do the needful at the earliest. The school remains open from Sunday to Thursday from 9 am to 3 pm and on Saturdays from 9 am to 2 pm.

Please ignore this mail and accept our thanks if you have already cleared the fee dues.

We take this opportunity to thank the GMS parent and student community for responding to our remote learning with enthusiasm and cooperating with us to run the programme successfully.

90% of students are attending the classes and most of the learning sessions are delivering the curriculum standards in an engaging way .

Thank you and looking forward to your continued support as always.

Regards,
Gulf Model School
Dubai
