

## Open House - Grades 6 to 12

Dear Parents,

### Ramadan Kareem!

These are unsettling times and we wish and pray for you and your loved ones' safe passage through this difficult period. Do take care and stay positive.

We are happy to note that the e learning classes are running successfully and most of the students are enthusiastically attending the same. The high attendance in e learning classes stands testimony to the tremendous hard work and efforts put in by our faculty.

We are indeed glad that the education of our children is happening undisrupted in these challenging times. Alongside, we are making sure that all the co- curricular activities planned in the almanac for this academic year are taking place as scheduled, online.

Some of the activities carried out so far are

- Senate elections
- Earth Day
- Wellness webinar by inclusion department.
- First PTA council meeting.

We at GMS believe that a child makes maximum progress when parents and teachers work in tandem towards the holistic development of the child and communication is the key to ensure this.

With this aim in view, we are organizing an online teacher-parent interface on **Thursday' 30th April from 12 noon to 1 p.m. Please use the respective class teacher's link to join the meeting.**

During this interface you may-

- Raise concerns about distance learning (if any)
- Apprise yourselves of the progress of your ward
- Discuss any other area of immediate relevance.

Looking forward to a meaningful interface that will be of immense benefit to our children.

Regards,

Gulf Model School
