

Pink Day – Awareness Campaign - KG to Grade 12

*"Supporting the fighters. Admiring the survivors. Honoring the taken.
And never, ever giving up hope."*

The month of October is the month of awareness for breast cancer and we at GMS join in the fight against the scourge of breast cancer with many meaningful activities for students and parents.

We realise that 'the best protection is early detection' and we urge all women in our community to avail of the free mammogram test, the details of which were sent to you.

We will observe **Thursday, 22/10/20** as PINK DAY. Let us all be in PINK attire on that day to express our solidarity with the PINK warriors.

The activities planned for the day are as follows:

Grades	Activity	Details
KG 1 & KG 2	You Mean the Whole World To Me	Students will create a card, a badge or a souvenir using recycled materials with a special message for their mums.
	Pinkilicious	Students can do baking with their mums with pink frosting (Video recording or pictures)
