

TECH THURSDAY - KG TO GRADE 12

Dear parents

Greetings from GMS!

We are happy to note that our teachers, students and parents have embraced distance learning well and we are making good progress as days go by.

We must understand that distance learning is new to all of us and we have learnt many things along the way. It is also an evolving process with many new things being introduced frequently.

Tech Thursday

We are glad to inform you that we will devote this coming Thursday, 21/5/20 as Tech Thursday to empower all school communities with more expertise in technology.

Parents of students in Kindergarten and Primary (gr 1 to 5) are welcome to join the session.

All teachers across the phases will train children further to access the various digital assessment tools and use these effectively in the virtual class room as well as for home assignments. This will be done during regular class hours.

Safeguarding Policies

School policies pertaining to safeguarding- Cyber safety and Cyber-bullying-are uploaded on school website. Please read through and discuss with your wards.

Eid holidays

Please be informed that there will be no distance learning class during the Eid holidays tentatively from Sunday, 24/5/20 to Tuesday, 26/5/20. Please check media for any change in the dates of holidays.

The GMS family takes this opportunity to wish all of you a blessed Eid.

Stay safe, stay healthy.
