

## CIRCULAR FROM KHDA - GRADE 7 TO GRADE 12

Dear Parents and Students,

Dubai Saturday Clubs is back and registrations for the 2020-21 season are now open!

**Dubai Saturday Clubs** is a fun and informal educational programme for teenagers aged 12-15 enrolled at Dubai schools. What's more - the sessions are currently online and completely free!

The aim of the club is to introduce students to future careers using workshops hosted by social entrepreneurs, professionals and university professors.

The Club offers a flexible participation format that helps clubbers choose their sessions from a diverse range of topics - innovation, design, photography, entrepreneurship, wellbeing and sustainability.

We have some exciting online sessions lined up all the way until the end of March so don't miss out. You can register by using the Saturday Clubs Ludopay app (**phone** and **web-based**), which is available on Apple and Android app stores.

Once registered, you will be notified about your acceptance and next steps. Spaces are limited, so act quickly.

KHDA looks forward to welcoming your children at the next Dubai Saturday Clubs session!
