

Digicon with AD & Principal - KG to Grade 12

Dear parents

Greetings from GMS!

'We are stronger when we listen and smarter when we share'

The new leadership at GMS believes in keeping open the channels of communication with all stakeholders. We value the opinions of our parent community and would like to hear from you what you feel is going well at GMS, the areas where you feel we need to do more, your suggestions, your concerns....in short we want to be all ears for what you want to put forth.

We may not have solutions to all the problems but we are here to listen and work on solutions through mutual discussion and consent.

With this aim in view we are organizing the first of a series of digital conferences-Digicon- for all parents with the Academic Director and Principal of GMS as per the schedule given below.
