

Open House - Grades 6 to 12

Dear Parents,

We are delighted to see the progress our students are making in the DL classrooms and we are making all efforts to improve it further so that our students benefit the most.

As you are aware, the Periodic Test 1 for students from grade 6 to 12 will begin from 7th June 2020. The portion paper is shared with the students along with all instructions pertaining to the same.

This is the first time that students will be attempting their Periodic Test online and we foresee that you may have some doubts regarding this. To allay all your worries and to provide clarifications on any concern that you may have, we are organizing a meeting for you with class teachers of your wards. This will give you and your wards a clear idea about how the tests will be administered. Teachers will apprise you of the following as well

- Assessment and its impact on learning
- Importance of feedback given by teachers.
- Different tools of assessment available online for practice at home
- Use of assessment data to set targets

Kindly note the date and time for the meeting :

- Date: **Sunday, 31st May 2020**

- Time: **8:00 am to 8:45 am**

- Venue: **Respective classrooms**

We look forward to a very productive session with our parents that will benefit the students immensely.

Regards,

Gulf Model School
