

Distance Learning to continue till 6/9/20 - KG TO GRADE 12

Dear parents

Greetings!

As per the instruction from KHDA it is mandatory for all staff to do a COVID test before they come physically to school. Most of our staff were able to do the test and receive the results. But there are a few more staff members who have to do the test and be safe to continue teaching in physical school. In the given situation, we will need to move to complete distance learning to ensure safety of our students and staff.

The distance learning for phase 3 and 4 will resume on Sunday 30/8/20 and for phase 1 and 2 will resume on Tuesday, 1/9/20.

We will be following the new timetable that will be shared with students today. We will look at the situation and keep you updated about the movement forward.

These are unprecedented times and kindly bear with us for the inconvenience caused.

Thank you for your cooperation.
