

Revised Circular - Half Yearly exams 2020-2021 - Grade 1 to 12

Dear parents,

Greetings from GMS!

We are all set to begin the Half -Yearly exams and since we have been apprised of concerns raised by some parents regarding on-site exams for board class students, we are bringing about some changes in the plan. Please note carefully the revised pointers:

1. The examination will be conducted online for all the students from grade 1 to 9. All instructions for the same will be shared by the class teacher.

2. Board students have an option of either opting for online examination or to be in school and attend the pen-paper tests.

3. Children who are coming to school for writing the exam should inform the class teacher by tomorrow, 30/9/20. before 2 p.m. Once an option is selected, students are requested to follow it throughout the exam.

4. All students who are attending exams online are expected to keep the camera on and attend the exams in all fairness.

5. Any evidence of malpractice during exams will be taken seriously and appropriate action will be taken.

Assessment is done to ascertain the strong and weak areas in a student's learning and this data helps us to support the student to do better.

We seek the support of parents to monitor students at home and to share with them the importance of being honest and not breaking the trust the school has reposed in them.

Kind regards

Gulf Model School
