**STAY AT HOME
IF UNWELL POLICY
(2020-2021)**

INTRODUCTION

The school planning will look different this year than it has in previous years due to current scenario, so it is imperative to have policies in place with revised guidelines. The Policy is created with the information provided by the ongoing developments with the pandemic and with recommendations of the government authorities.

OBJECTIVES

- To provide clear guidelines to all members of the school community the protocols to be followed if unwell.
- To prevent the spread of COVID-19

Safety measures recommended:

1. If students have a temperature of 37.5°C or above, stay at home
2. Parents must check their child's temperature before leaving home in the morning. A policy of 'staying at home if unwell or present a temperature of more than 37.5°C,' will be enforced for students, teachers and school staff.
3. If you have COVID-19 related symptoms like fever, cough, sore throat, headaches, body ache ,chills and loss of smell or taste stay at home.
4. Students can attend classes through distance learning platform.
5. If tested positive for COVID -19 students need to immediately get in touch with the medical staff at GMS.
6. Immunocompromised students are requested to opt for distance learning.
7. Students should inform class teachers when not attending physical school. All assessments will be conducted online for such students.
8. If attending face to face learning, it is mandatory to submit DHA declaration form .No student will be permitted to campus without the form.
9. To prevent cross infection, parents are requested to monitor siblings of students who stay at home for symptoms as well.
10. All stay at home student assignments can be submitted to the teachers via online.
11. If a student falls ill while in the school bus, he/she will be dropped back home immediately after informing the parent.
12. If a student falls ill while at school, the parent will be informed immediately and the parent is expected to collect the child from school without delay.
