

## ZOOM - REMOTE LEARNING

Dear parents,

Please follow the below steps and procedure to install e-learning application. For students of Grade 1 to 5, we are planning to use ZOOM as a e-learning platform, which is user friendly and easy to handle. Zoom can be used in Mobile Phones, Tabs and Laptop. For maximum exposure and learning, laptop is preferred.

### Requirement to start the ZOOM:

1. Gmail Account.
2. Google Calendar.
3. Zoom Application.
4. Internet Connection

### Teacher's Action Required:

**STEP1:** Every class teacher will form a WhatsApp group for their class, parents should make sure they are part of the class WhatsApp group.

**STEP2:** The timetable will be sent through the WhatsApp group.

**STEP3:** Teacher will generate a unique invitation link for every class and share it through the class WhatsApp group.

### Parents' Action Required:

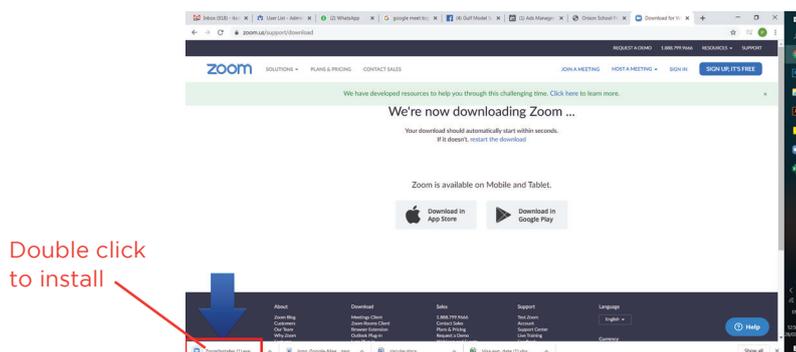

**STEP1:** Be a part of classroom WhatsApp group.

**STEP2:** Install Zoom in your mobile/laptop using the below link - log in with your personal gmail id and share the same to your class teacher.
