The Impact of Remote Learning and Home Quarantine - Parents' Survey

No: HB/AC/20-21/33

Dated: 27/08/2020

Dear Parent,
Greetings!

The United Arab Emirates has taken preventive measures in the face of the spread of the Covid-19 virus, such as "distance education", which may affect students' health behaviors.

The MOE is pleased to invite you to participate in a study on The Impact of Remote Learning and Home Quarantine on the Health Behaviors of School Students, which requires the participation of all students' parents to ensure identifying the changes in their children's health behaviors during the past four months.

Kindly find the link below to complete the questionnaire:
