Dear Parent,

Greetings! Hope you are doing well and staying safe.

With the amazing response from the parents and students for the recent summer camp, we are thrilled to announce the 10 days Winter Coding Camp in association with Cyber Square that will begin on December 12th, 2021. Artificial Intelligence & Coding Winter camp will be an excellent opportunity for the students not just to learn the most relevant skills but also to showcase their creativity with their own projects and win exciting prizes.

#### **What will students gain?**

- Learn to create their own games, apps, animations, and websites.
- Learn the world's most popular programming languages like Python
- Learn the basics of Artificial Intelligence
- UK certification
- Win exciting prizes based on the project presentation
