CAT 4 Test for Grades 3,5,7 and 9

Circular No: HB/AC/23-24/61

Dated: 12/10/2023

Dear Parents,
Greetings!

As mandated by the MOE, the school has decided to conduct **CAT 4 Test for all students of Grades 3,5,7 and 9 starting from 16th October 2023.**

The MOE demands 100% attendance as declared in the National Agenda for this test which **will be conducted during the School hours**, hence we urge the parents that no child shall be absent on the scheduled day of the test.

The **Cognitive Abilities Test (CAT4)** is a diagnostic assessment that is designed to help students and the teachers understand how students learn and what their academic potential might be.

It assesses how students think in areas that are known to make a difference to learning. **This assessment does not require any prior preparation on the student's part.** CAT4 can help in intervention, monitoring progress and setting targets for future attainment.

CAT4 is a Cognitive Abilities Test that measures:

- Verbal reasoning (words)
- Non-verbal reasoning (shape)
- Quantitative reasoning (number)
- Spatial reasoning (3-dimensional)

Further details of the CAT4 can be learnt from the link [Click here](#)

CAT 4 is scheduled for **Grades 3, 5, 7, and 9** as shown below:
