Dear Parents,
Greetings!

Habitat School, Al Jurf believes that parents are the partners in the educational journey of their children.

Parental engagement has always shown a positive impact on student's academic, social and emotional success. Since parent involvement is the foundation for student success, we believe in connecting our homes with the school to make our students a great community of learners.

In light of this, the Junior Section (Grades 1-4) of Habitat School, Al Jurf is organizing the Parent Engagement Week from 6th to 10th November 2023.

This week is the opportunity to showcase the strong partnership between home and school which is a great tool for strengthening student achievement. A wide range of activities are planned to enhance the parent's involvement in school activities.

We invite you to fill out the Google Form through the given link in order to book your place as per your area of interest. **Kindly submit the form on or before 19th October 2023.**
