

HABITAT SCHOOL
AL JURF, AJMAN

Community Outreach Programme - Compassion for Gaza

Circular No: HB/AC/23-24/80

Dated: 06/11/2023

Dear Parent,
Greetings!

Our school has always taken initiatives to extend its unflinching support to the people who are victims of any calamity. This time Habitat School is collaborating with Emirates Red Crescent to take part in a voluntary initiative to support children and families in Gaza who are in urgent need of humanitarian assistance, for which the school has received the necessary approval from the MOE.

Considering the current catastrophic situation at Gaza, we request our parent and student community to extend their wholehearted support. Participation in this initiative is voluntary.

Please find below the list of items allotted grade-wise (Page No -2 and 3) and those who wish to contribute are hereby requested to donate **any one of the items to the respective class teachers of their wards on or before **10th Nov, 2023**. The quantity of the items mentioned below can vary from 0.5 kg/L – 1 kg/L.**

Money collection box from Emirates Red Crescent is kept at the school reception for those who wish to contribute in the form of Monetary Aid.

Warm regards

Principal
Bala Reddy Ambati
