To this end, parents of **Grades 5 to 9 and 11** are requested to send the valid Original Emirates ID of their wards and entrust it to their respective class teachers on the specific dates mentioned below. **If you have already updated the details of the siblings, there is no need to send the Emirates ID again.**

Grade	Date
V	12th February
VI	14th February
VII	16th February
VIII	19th February
IX	20th February
XI	20th February

The current details of the students of the Emirates ID will be scanned by the card reader and hence the Emirates ID will be handed over to the students.

Please feel free to contact the Class Teacher/Section Head in case of any clarification.
