Dear Parents,  
Greetings!

Habitat School, Al Jurf believes that parents are the partners in the educational journey of their children.

Parental engagement has always shown a positive impact on student's academic, social and emotional success. Since parent involvement is the foundation for student success, we believe in connecting our homes with the school to make our students a great community of learners.

**In light of this, the Junior Section (Grades 1-4) of Habitat School, Al Jurf is organizing the Parent Engagement Week from 7th October 2024 to 11th October 2024.**

This week is the opportunity to showcase the strong partnership between home and school through showcasing the talents of our parent community. A wide range of activities are planned to enhance the parent's involvement in school activities. The parents will be invited to conduct certain activities or workshops with the set of selected students based on the choices filled by the parents.

We invite you to fill out the Google Form through the given link in order to book your place as per your area of interest. **Kindly submit the form on or before 19th Sep 2024.(Thursday).**
