**“I Start Arabic” for students from Grades 2 to 6**

**Circular No: HB/AC/25.26/45**

**Dated: 20/06/2025**

Dear Parents,  
Greetings!

We are happy to announce that our school has introduced a new online platform called **“I Start Arabic” for students from Grades 2 to 6**. This platform is designed to help students improve their Arabic language skills in a fun and interactive way. Arabic teachers have already shared the username and password with all students. We encourage students to log in and start using the platform regularly.

**“I Start Arabic” is a great chance for students to practise and enjoy learning Arabic at their own pace.** We hope all students will make the best use of this opportunity to become more confident and skilled in the Arabic language.

We look forward to seeing our students grow more confident and capable in their Arabic language journey.
