

Superhero Costume Day - Celebrating Courage & Imagination

Circular No: HB/AC/25-26/48 Dated: 23/06/2025

Dear Parents,

Greetings!

As part of our **Child Protection Awareness Week** (30th June to 3rd July 2025), the school has planned a series of engaging and educational activities across all grade levels. These include a video presentation on safe and unsafe touch, a ventriloquist performance, an anti-bullying campaign and other interactive initiatives designed to promote student safety and well-being.

To mark **Anti-Bullying Day** on **Wednesday, 2nd July 2025**, we are excited to announce a special event for our **Kindergarten (Phase 1)** students:

On this day, children are encouraged to come dressed as their favorite superheroes. This fun-filled activity aims to celebrate the idea that we are all heroes — brave, kind, and capable of standing up for ourselves and protecting others. It also reinforces the message that even the smallest acts of courage and kindness can make a big difference.

- →

 Students may wear any modest, age-appropriate superhero costume of their choice.
- → a Regular school bags and essentials should be carried as usual.

We look forward to your continued support in making this day a memorable one for our young learners and helping them embrace the values of empathy, courage, and inclusion.

Warm Regards,

Principal

Bala Reddy Ambati
