**Parent Consent Survey on Social Media Usage (Students Aged 12 -18)
Grade 5 to 12**

Circular No: HB/AC/26.27/03

Dated: 13/03/2026

Dear Parent,
Greetings!

As part of an initiative by the Ajman Technology and Education Collaboration (ATEC) in collaboration with the Office of Private Education Affairs, a research study is being conducted to understand social media usage among children and adolescents in Ajman.

This survey is for the students who are aged 12 to 18 years and aims to understand how they use social media, along with the opportunities and challenges they experience in the digital world.

Parents are kindly requested to give their consent for their child to participate in the survey by filling out the parental consent form through the link below:

- **Parental Consent Form:** <https://ajyal.questionpro.com/ParentalConsent>

Once you provide your consent and email address, the survey links will be sent directly to you. Participation in this study is completely voluntary, and all information collected will be kept confidential and used only for research and statistical purposes only.

For your reference, the survey links are provided below:
