Student Admission Policy and Procedures

1. Policy

The school will offer education to students for parents who wish a private school option for their children. It will seek to ensure that all students who are admitted will thrive in an environment of high academic expectation, will be able to benefit from the holistic education provided and be happy within the school community. In admission of students, it will fully comply with all the applicable laws and regulations of the host country. There will be no discrimination on the grounds of diversity, gender, race, religion or academic level and the school will admit students with mild to moderate Special Education Needs. All those joining must agree to adhere to relevant school rules and policies.

2. Scope

School staff, and prospective students and their parents.

3. Responsibilities

- ✓ School Principal
- ✓ Staff with student admission roles
- ✓ Prospective parents and their children
- ✓ School administrators and teachers

4. Purposes

- ✓ To set and operate clear school admission procedures regarding how and when to apply for admission, on what basis students will be selected for places, what preferences will apply to specific groups of students, how waiting lists will be managed and how records will be kept.
- ✓ To advise on the types of support programmers offered to enrolled students.
- ✓ To establish a school-parents partnership which promotes the interests of the student body.

5. <u>Definitions</u>

- Admission: is the process of acceptance of a prospective student into a school.
- Placement Interview: is held for kindergarten children with the prospective parents and child for placement and instructional design purposes.

Vision: To be a center of educational excellence preparing students to be both lifelong learners as well as leaders of tomorrow.

Mission: To become a community of learners developing within our student's active creative minds. We stress the total development of each child; spiritually, morally, intellectually, socially, emotionally, and physically. Therefore, we aim to provide a healthy, safe, caring and supportive environment.

- Placement Test: is a written test, undertaken by enrolling students, consisting of a number of different subjects
 which is used for placement and instructional design purposes.
- Prospective: are parents and students who seek admission into school.

6. Procedure

- 1. Request for admission can be made for any child who meets the age conditions and submits the required documents of the government authority of the host country.
- 2. The school will announce when it will start accepting admission applications for the next school year.
- 3. Parents may contact the school either by phone or visit.
- 4. The first conversation consists of explaining the admission procedures and getting relevant information about the prospective student.
- 5. Parents who wish to continue with admission submit a completed school enrolment application form, all the required documents, pay a registration fee and make an appointment for an interview/placement test. The required documents are:
 - a. An application form filled in and signed by the guardian which includes:
 - Name, age and address;
 - ii. The names and contact details, with telephone numbers of parents/guardians;
 - iii. Date of enrolment;
 - iv. Previous school or pre-enrolment situation.
 - A Birth Certificate (in an official/acceptable language, stamped by the originating country's Foreign
 Affairs and by the host country's embassy in the originating country).
 - c. Vaccination card.
 - d. A photocopy of the applicant's passport.
 - e. A photocopy of the applicant guardian's passport (With valid residential status for expats).
 - f. Six recent passport-size photos.
 - g. Previous school report or transcript. (An officially stamped copy of this transcript is required).
 - h. A Transfer Certificate. (In an official/acceptable language and officially stamped).
 - i. Completed medical conditions and health agreement forms.
 - A photocopy of the applicant's vaccination card.
 - k. A completed KG information form in the case of KG applicants.
 - I. A Good Conduct Certificate from the previous school if applicable.

- 6. For students with identified special needs:
- on enquiry for enrolment, school personnel should seek to gain and parents should endeavour to give all relevant information regarding the student and their educational needs;
- an interview and/or placement test will also serve to provide information for placement and instructional design decisions;
- the school will enroll students with mild to moderate SEN.
- 7. For grades which are full:
- the student will be offered the next place on the waiting list;
- the school will explain to the parents the plans regarding expansion, if any, and the likelihood of their child being admitted;
- all parents of wait-listed children will be advised to seek admission at another school;
- upon a place becoming available, wait-listed students in order of their listing, will be invited to continue the process of admission.
- 8. On the day of the placement test, all documents must have been provided by the parents.
- 9. Within two days after the interview or test, the school will contact parents with the options for the child's enrolment eg class placement.
- 10. On acceptance of the enrolment, the parents pay the first installment, make an appointment to purchase the school uniform and sign the 'Parents-School Partnership' agreement, Internet Code of Conduct and health forms.
- 11. The decision on class section is done by the nominated staff member. Factors considered for class section are:
 - mixed ability class groups ie maintaining a similar average across different sections of the same grade
 - gender balance
 - a balance of local and non-local students in each class
- 12. An administrator arranges the desk place for the new student in their classroom.

7. Annual Enrolment

- 1. Parents will be requested to re-enrol their child/ren currently at the school, for each subsequent academic year.
- 2. Continuing students will automatically be re-enrolled.
- 3. All the family and student-specific information provided the previous year and held by the school is checked by the parents with the school secretary/registrar, after which the re-enrolment is confirmed and the first payment for the new year is made.

8. Support Programmers' for SEN and GATE Students

- A register of students who have been enrolled as special educational needs and those who are gifted and talented will be kept.
- 2. All students on both registers will have an IEP written in collaboration with the SEN/GATE Co-ordinator, child's teachers, parents/guardians and the student (if appropriate) and reviewed at least each term.
- 3. Individual Educational Plans will describe the specific special needs/gifted areas and the special arrangements for curriculum delivery and types of support offered, which may include:
 - curriculum adaptations required within the age-appropriate class eg for needs particular to oral language,
 reading, written language, maths and any instructional area;
 - assessment adaptations eg more time, a reader and/or writer;
 - particular seating arrangements within the class eg mixed gender, single gender, mixed ability and similar ability groupings
 - removal from class, either entirely or for specific periods of time or for specific subjects, and taught individually or in small groups for the purposes of meeting specific needs, remediation or enrichment/extension;
 - medication or other intervention required eg physiotherapy, during the school day. When, where and by whom these are administered;
 - extra counselling, mentoring or teacher aide support. When, where and by whom these are provided;
 - special equipment or facilities that can be provided in the regular classroom. What this equipment is and where it is situated and how it is used;

- students who are on special behaviour programmes. What these programmes are and how they are managed;
- accelerated students in one or more subjects;
- offering additional subjects eg another foreign language, philosophy or thinking skills classes;
- honours classes, after-school tutor groups and mentor programmes;
- enrichment of educational provision for students beyond the classroom by providing a variety of activities that may include school, local and national competitions and challenges, school clubs, opportunities to work with visiting experts, study day opportunities, contacts with local industry and businesses, master classes eg art and music. opportunities for students to develop skills through experiences in assemblies, celebration days, Student Society and peer tutoring for example; and
- and other support services required.

Please refer to the SEN and GATE policies for more detail.

9. Support Programmes for Academic and Multi-lingual Support

1. The school will offer students who require it, specific support in the areas of ESL, English, the language of the host country and maths.

Please refer to the Academic Support Policy for more detail.

10. Preference Arrangements

- 1. Students will be admitted in the following preference order:
 - a) Current students re-enrolling and their siblings;
 - b) Children of staff members;
 - c) Students living in the immediate vicinity of the school as defined by the board;
 - d) New students other than the above.
- 2. The registration period will be divided into four parts to cater for the stated preference arrangements. The schedule will be communicated within and outside the school community.

11. First Day

- 1. The student reports in school uniform at the time notified and is shown to their classroom.
- 2. A staff member shows the student to their desk and introduces them to their classmates.
- 3. Books are distributed within the student's class.
- Arrangements for settling the child into the class are made with teachers and other students eg buddy student.

12. Records Keeping and Transfer

- 1. All admission records will be kept by the school. A hard copy file will be kept in individual student files, with a soft copy kept on the school management system.
- 2. Forms and information will be transferred to other areas of the school as applicable, eg medical information to the nurse, special needs and gifted and talented to the appropriate departments, second language to the appropriate administrator, and transportation requirements as applicable to the person-in-charge.
- When a student transfers to another school, a complete report including all vital information will be sent to their new school.
- 4. A copy of the register of enrolments will be stored off-site and updated every term.
- 5. The register of enrolments will be retained for a period of 5 years before archiving.

13. Laws

All enrolment-applicable laws of the host country will be complied with.

14. Revision

This policy will be reviewed every 3 years or as needed if changes to legislation dictate or there is a request for policy review from an internal source.

15. References
