ASSET For Grades 3 To 9

Dear Parents,

The UAE Educational Authorities have mandated Asian Curriculum Schools to take ASSET as the required assessment across the UAE. It has been mandated that all students from grade 3 to 9 would need to participate in this external assessment.

ASSET is a unique test that checks the depth of students' understanding on every topic. Only ASSET : English, Math and Science is Mandatory for all students. The fee details for the test is attached with the circular.

HOW DOES YOUR CHILD BENEFIT FROM TAKING ASSET?

1. After the ASSET Test, your child will receive a personalised comprehensive view of his/her performance, in the Student MyBook, along with detailed insights on his/her strengths and areas that need improvement.
2. Your child will also get benchmarked with his/her/ peers across the country and internationally, to help them understand where they stand, along with targeted practice questions.
3. Students from Grade 5 to 8 achieving scores of 85th percentile and above automatically qualify to participate in the prestigious ASSET Talent Search, a "by invitation only" event backed by some of the top ranking Universities in the US. For more information, pls visit www.assettalentsearch.com
4. Students also get the chance to win several awards for their ASSET performance – ASSET Subject topper, UAE National topper and GCC Topper awards are some of the recognitions that they can aim for.

ASSET papers are designed by subject experts who specialize in designing questions that test understanding of a concept in an interesting manner. This makes the testing experience stress-free and fun for students. Students benefit greatly from the individualized analysis, remedial instructions and questions that they can use to practice at home. As directed by the UAE Educational Authorities, we are registering our school for ASSET for the academic year 2024-25.

The tests will be conducted online and test dates will be scheduled in November. Dates relevant to your ward's grade will be informed closer to the test date. Kindly make sure to remit the payment to the class teacher by 30th August 2024.

Preparation for ASSET: Though ASSET is a test that does not require preparation, students may visit www.aqad.in to sign up to receive their grade appropriate questions to familiarise themselves with the type of questions asked in Asset.

Thanking you,
Yours sincerely,

Dr. S. J. JACOB
