## INTERNATIONAL MATHS OLYMPIAD- INDIAN CHAPTER

Dear Students,

We hope this message finds you in good health and high spirits. It is with great pleasure that we introduce the "International Maths Olympiad - Indian Chapter" organized by the Maths Olympiad Foundation. This prestigious event, known as IMO-2023, will be conducted at a global level, providing an excellent platform for you to showcase your mathematical skills and abilities.

The Maths Olympiad Foundation has designed the exams based on the curriculum provided by the National Council of Educational Research and Training (NCERT), an autonomous organization established by the Government of India. By participating in this Olympiad, you will have the opportunity to assess your analytical and logical thinking, which are essential skills for excelling in the field of mathematics.

Participation in the International Maths Olympiad - Indian Chapter offers numerous benefits, including:

1. Assessing your mathematical abilities against global standards.
2. Gaining exposure to a diverse range of mathematical problem-solving techniques.
3. Enhancing your analytical and logical thinking skills.
4. Building confidence and developing a competitive spirit.
5. Earning recognition and prestigious awards for outstanding performances.

The registration fee for all classes is Dhs.10/-to participate in International Maths Olympiad. All students will get participation certificate. Winners will get Medals and Certificates at School Level. International winners will get "Ramanujan Student Award", Certificates and attractive prizes.
