A STUDY ON CYBERBULLYING FOR STUDENTS IN THE UAE

Dear Parent,

The Ministry of Education is keen to prepare research studies in various fields, which would contribute to assisting specialists in developing awareness and treatment plans for social problems in the school environment, as this, in turn, contributes to providing a safe learning environment for the student. Therefore, the Ministry of Education has decided to conduct a research study on Cyberbullying by publishing a questionnaire that is filled out by students in cycle 2 and cycle 3 (Classes 5 – 12).

Kindly access the questionnaire by clicking the below link.
