

Second Language Fiesta 2023-24

Theme:

To love, to enjoy and to explore your mother tongue as well as national language.

Dear Parent,

The school takes pride in celebrating the diversity of languages that our students learn to open the window to the world. We are organizing the 'Second Language Week' between 23rd October 2023 and

27th October 2023 to enhance the students' interests in learning their Mother Tongue as well as other languages. Various creative and interesting activities will be conducted during the Second Language Fiesta. All our Language Lab members can participate and enjoy these intriguing activities.

Competitions will be conducted on 24th to 26th October 2023. The following literary competitions are arranged in their respective Second Language classes (Hindi, Malayalam, Urdu & SL Arabic) for Classes 1 to 10.

Wishing you a great time!
