Dear Parent,

We would like to inform you that Anti-Drug Awareness Program will be conducted in our school in collaboration with Ajman Police Drug Department on Monday 11/11/2024 at 10:30 AM for Grade 12 Students. The session aims to educate students about the dangers of drug abuse and promote healthy, drug - free lifestyles.

As we all know that Drugs can have severe physical, emotional and mental consequences, including addiction, impaired decision- making, and long-term health issues. It is essential for students to understand the risks involved and the impact that drug use can have on their future.

Your support in reinforcing the message of drug awareness at home will further strengthen the impact of this campaign.

Thank you for your cooperation.
