GotoZ GPRS Tracking System

Dear Parent,

We are happy to inform you that the school is introducing GPRS Tracking system through Goto Z App for students who avail school transportation as we understand that the need for safe passage of each child to school and back home is of paramount importance.

Highlights of GotoZ App:

- ❖ Parent can track their child's location while travelling to school and back to home.
- ❖ Student will enter in the Tracking system by scanning the **school ID** while using the school transport.

How to install the GotoZ App:

- Download the **GotoZ App** from play store/app store.
- Allow the notification & type your mobile number.
- Enter the default OTP 123456 & Enter your name and select the relationship with the student.
- Select Add Child & Select School.
- Your child's details will be displayed in the list and then press **CONFIRM**.
- Now you can track the location.

Tutorial video is attached.

Note: Kindly bear with us for any anomaly in the reopening week as it will be a trial period.

Anticipating your kind co-operation and continued support

Thanking you,

Yours sincerely
