EARTH DAY

"Planet Vs Plastic"

Dear Parent,

Greetings from Al Ameer English School!

Earth day is an annual global event celebrated world wide to raise awareness of our planet This year's theme, 'Planet us Plastic,'aims to raising awareness about the harmful effects of plastic pollution and promote sustainable alternatives to reduce plastic waste

The Department of Science is organizing an 'Earth Day Celebration' to raise awareness about environmental conservation and promote sustainable practices. We encourage students to participate in this initiative through creative and engaging activities that foster a connection with nature and advocate a **sustainable future**.

We request you to motivate your ward participate in the following activities.

Design an impactful poster or digital art piece highlighting the detrimental consequences of plastic waste or promoting eco-friendly alternatives to single-use plastics.

Make a 2-minute video on the topic 'Planet us. Plastic' using any medium of expression such as: A poster, painting, song (even rap), recitation of a self-composed poem, short dance recital, or a skit, which will showcase your ward's vision for a plastic-free future.

Recycled Art Competition: Students create artwork using recycled or repurposed materials like plastic bottles, cardboard, paper, etc.

Submissions for the creative activities should be made before 22nd April to the respective science teachers.

Guidelines for Video Submission:

- The video must be an original creation showcasing the student's thoughts and ideas.
- Students should send their video entries to their Science teacher latest by 4 pm on 24th April 2024.
- Selected videos will be featured on the school's website and social media platforms.

As part of this programme, the students are permitted to come in Green/Blue Colour Dress (Formal Wear) on Monday (22nd April '24)

Anticipating your support and co-operation,
Thanking you,
Yours sincerely,

Dr. S. J. JACOB
