CBSE Reading App for Students!!!!!!

Dear Parent,

The CBSE Reading Mission aligns with the NEPs goals of developing higher order skills- creativity, critical thinking, problem solving, visualization, and idea generation, by providing a well-designed, leveled and adaptive, one-stop platform.

The CBSE has launched the CBSE Budding Authors Programmed to provide students a platform to engage in reading different types of stories and learning to write effectively, and has launched the CBSE Reading App powered by Freedom (Circular No. Acad- 27/2023). This app is designed to make reading an engaging and rewarding experience for students of Kindergarten through grade 8.

Features of the CBSE Reading App:

- In order to motivate learners to actively engage with reading tasks, top readers (who log in the maximum number of reading time) in each grade across schools will be felicitated on National Reading Day.
- During summer holidays, the CBSE Reading App can be leveraged to engage learners in a variety of activities and enhance their key language competencies.

Steps for students to log in to the Freedom App:

- Search for “CBSE Reading App by Freedom” on App Store or Play Store
- Install the app.
- Open the app and click on 'Get Started' button.
- LOGIN using your mobile Number
- Fill the required details and click on the ‘Start Learning’ tab.
- School Affiliation Code : “6630031”
